## Please note the following...

PAYG, per cycle contract or per season contract must be decided during initial consultation. This can not be changed on subsequent consults. Contracts need to be paid upfront at first consult. PAYG must be paid on the day.

Entire season contracts are for the current repro season only (maximum 3 cycles).

Repro drugs include Prostaglandin, Oxytocin, Deslorelin and Chorulon.

Semen transport and collection costs are not included in contracts or PAYG.

All scans must be booked in by appointment at reception.
